THE ROARING TWENTIES'

The 1920s & 1930s in Shanghai roared with glamour and glitter, earning the city its reputation as the "Paris of the East." Jazz-filled nightclubs, opulent parties, and a burgeoning film industry embodied the era's excess. Shanghai's cosmopolitan spirit, blending East and West, made it a dazzling epicenter of style, culture, and extravagance.

The 2020's also roared, but for different reasons... Yet, Shanghai's cosmopolitan spirit has returned and it's time to put Shanghai on the map again as the "Paris of the East"!
